[Excerpt from a discussion with Revered Baba Iqbal Singh Ji, President of The Kalgidhar Trust, India with Berkley Center, USA]

*The Berkley Center for Religion, Peace, and World Affairs at Georgetown University, created within the Office of the President in 2006, is dedicated to the interdisciplinary study of religion, ethics, and public life. Through research, teaching, and service, the Center explores global challenges of democracy and human rights; economic and social development; international diplomacy; and interreligious understanding.*

#### Excerpt

*Please expand on value-based education, and what it means to you and to your work?*

Broadly speaking, there are three types of education. The first type focuses only on literacy without any moral content. I believe the merely literate person is the most egoistic and selfish because he is taught no moral values and thinks only about himself. Most schools, colleges, and universities around the world, impart literacy and not value-based education.

The second type of education is value-based, where you combine literacy with moral, ethical, and religious instructions and which is far more holistic. An individual who has gone through this type of scholastic career starts to think about the needs of others and begins to see himself connected to them and has a very broad outlook.

The third type of education is the spiritualized education with divine wisdom for which you have no need to go to any school, because the divine knowledge of the universe springs from within. None of the prophets or the founders of the great world religions went to any university to learn the lessons about the Divine. One only needs to delve into the scriptures of the great religions for this type of education.

Our organization combines spirituality with literacy (basic education) to impart value based education to students. As a result, our students are free from drug/substance abuse and the use of alcohol. They are thus able to focus their minds on study, sports, and the well-being of others around them. Value-based education is the real need of the day to produce good upright human beings, who can inspire others to tread on the divine path and serve mankind selflessly. The effects of Value-based education have been far-reaching. Our students have helped to reduce tension in their homes by counselling their own parents. In some cases, they have succeeded to keep their parents from divorcing. We are convinced that value-based education is the best way to enable the society to move forward and to bring about sustainable development in the world. Through such education, we will be able to harness the energy of the youth and persuade them to work for the betterment of the world, which is now in turmoil.

## Vice Chancellor's Message

## A University with the Difference

ਇਹ ਹੈ ਪ੍ਰਗਟ ਹਮਾਰੀ ਕਾਸੀ। ਪੜ੍ਹ ਹੈ ਇਹਾਂ ਢੋਰ ਮਤਿ ਰਾਸੀ।  
ਲੇਖਕ ਗਨੀ ਕਵਿੰਦ ਗਿਆਨੀ। ਬੁਧ ਸਿੰਧ ਹੈ ਹੈ ਇਤ ਆਨੀ॥

*From here, great scholars will spread the divine message of Sri Guru Granth Sahib Ji among the people in the entire world in their respective languages resulting in universal peace and brotherhood:*

Three centuries ago, the tenth Master, Guru Gobind Singh Ji stayed at Talwandi Sabo, finalized the compilation of Guru Granth Sahib Ji and prophesied that this place will manifest as Guru Ki Kashi, a great Centre of teaching and learning from where will emerge great scholars of Sikhism. About two centuries thereafter, establishment of Gurumat Vidyalaya by Sant Attar Singh Ji Maharaj was the first step in this direction. About a century thereafter, establishment of Akal University, Talwandi Sabo under the leadership of Hon'ble late Baba Iqbal Singh Ji Baru Sahib Wale was culmination of what the tenth Guru prophesied about three centuries ago. The University has started its seventh academic session this year. The mission and vision of the University is not merely to impart literacy but also to provide high quality spiritual value-based education leading to holistic development of complete human beings who will propagate the message of universal brotherhood and philosophy of interfaith wisdom enshrined in Sri Guru Granth Sahib Ji.

Unlike most of the educational entities having commercialized the higher education by operating like business ventures, the Akal University has mandated to uphold the three basic principles of higher education namely; Teaching, Learning and Research. Consequently, the University has started with Undergraduate and Postgraduate Honours programmes and Ph.D programmes in basic sciences and languages namely Mathematics, Physics, Chemistry, Botany, Zoology, Psychology, Economics, Social Sciences, Commerce, English and Punjabi. The University also offers BCA (Hons), B.Tech. (CSE), B.Sc. Physiotherapy, B.Sc. Medical Lab Technology, MBA, and four year Integrated B.Sc.-B.Ed./B.A.-B.Ed programmes.

Offering the three years Bachelor of Arts (Honours) Degree in Sri Guru Granth Sahib Studies is a unique programme of the University, probably first of its kind offered by any university in the country and abroad. The programme is fully residential and totally free including fee, boarding and lodging charges. The course aims not only to impart complete learning of the Holy Scripture but also to teach Guru Darbar Maryada, Sikh tenants, Sikh history and life and teachings of Sant Attar Singh Ji Maharaj Mastuane Wale and other enlightened sages from different sects and religions of the world. Comparative study of different religions is an integral part of the course.

Magnificent building with ultra-modern facilities for teaching and research is the hallmark of the University. Well-equipped modern labs, internet linked smart class rooms, high tech well stocked library facilities, CCTV cameras for special security of girl students, modern residential accommodation for teachers and separate hostel facilities for boys and girls, 100% healthy pure vegetarian diet, centralized RO system on all drinking water coolers, well-functional University transport services for staff and day scholars, drug free campus, sports and recreational facilities for boys and girls, and special fee concession upto Rs.92,000 per year per meritorious and needy student are key features of the education system at the University.

The University has designed goal oriented course curriculum. The unique features of the same include choice based credit system, market oriented skill enhancement courses, special coaching classes for CSIR/UGC-NET, ICS, Bank PO, SSC, UPSC and other competitive exams. The University adopted English medium for teaching and examination of the students. The University endeavors to enhance the communication skills of the students by making special efforts on improving the knowledge of English language. The University has also established English Language Lab to improve the writing & communication skills of the students.

To strive for excellence in teaching and research, all faculty members are UGC qualified with exceptional academic records and have earned their Doctorate and Post-Doctorates from top universities and institutions. Besides following students-teacher interactive mode of teaching, each student has been assigned a teacher mentor to take tutorial and to resolve his/her academic and personal problems. There is special provision of counselors to motivate, guide and address personal day to day issues and problems of the girl students.

The University has a firm resolve to provide a drug free environment and to create a disciplined campus life. In tune with the philosophy of Kalgidhar Trust, Baru Sahib, all efforts are being made to inculcate spiritual, moral and ethical values in the students to make them decent human beings and responsible citizens.

In due course, the University plans to start the great work of translation of the holy scripture in different languages of the world so that the seekers of spirituality from all over the world may submerge themselves in the ocean of divinity and parmarth and find the path of ultimate salvation enshrined in the holy scripture of Sri Guru Granth Sahib Ji and as blessed by the 10<sup>th</sup> Guru Sri Gobind Singh Ji Maharaj.

# Ethics

## High Moral Values

ਸਚਹੁ ਓਰੈ ਸਭੁ ਕੋ ਉਪਰਿ ਸਚੁ ਆਚਾਰੁ ॥੫॥

Truth is higher than everything; but higher still is truthful living.

-Sri Guru Granth Sahib Ji, Ang 62

Our endeavour at Akal University is to help the students to discriminate between the valuable and the superficial in life. To help develop the critical ability to distinguish between essence and form, or between what is of value and what is superficial, in life – this ability is to be developed not for a narrow area or field of study, but for everyday situations in life, covering the widest possible canvas. To help students develop sensitivity and awareness; leading to commitment and courage to act on their own belief. It is not sufficient to develop the ability to discriminate, it is also important to be able to act on such discrimination in a given situation.

## Discipline

Every student admitted to the Akal University pledges to observe willingly all the Rules and Regulations and to uphold and respect the principles on which the institute is founded. It is also to be understood that on breaking the pledge, the student forfeits his / her membership of the University. It is the duty of each student to perform all tasks assigned to him/her in connection with the functioning of the University to the best of his/her ability. All Sikh students are required to follow the Sikh spiritual and religious way of life. They have to keep their hair intact and are not allowed to cut hair from any part of their body. Any deviation from the Sikh religious principles, especially the cutting of hair, will lead to strict action and punishment which may also lead to expulsion. The students are motivated to prepare themselves for partaking Amrit (through the Sikh way of baptism) during their study period in the Akal University which would provide them better divine wisdom and value based education. It may be mentioned here that a full bench of the

Punjab & Haryana High Court, headed by Hon'able Mr. Justice J.S. Khehar, in C.W.P. No. 14859 of 2008, has held that retaining hair unshorn (without trimming hair from the body or plucking hair from the eyebrows) is one of the most important and fundamental tenets of the Sikh religion. In fact, it is undoubtedly a part of the religious consciousness of the Sikh faith. (Justice J.S. Khehar is former Chief Justice of India). The aforementioned judicial verdict is now law of the land on this issue. Any indiscipline on the part of a student may lead to his/her removal from the University rolls. Legal Disputes, if any, shall lie within the jurisdiction of the Courts at Talwandi Sabo where the University is located.

## Drug Free Environment

*One person (like the bartender) brings the intoxicant, another takes a cup from it; by drinking it he loses his power to think and acts as if mad; he is unable to distinguish the good from bad and is pushed away from the Master; by drinking it the Master is forgotten and one is punished in His court, do not take such a drink if it is within your power. (SGGS, Ang 554).*

Punjab represents a sacred portion of our country. The rich history of this ancient land has given its people a sense of native pride. Punjab is a blessed region of India that once stood witness to countless victories and triumphs. Preserved by martyrs who gave their lives to sustain the people and culture, this land was once hallowed by saints. The state is a special place and is close to the heart of India.

Once known for its life, unparalleled fertile land, joy, and vibrancy—Punjab used to set the example. But the Punjabi youth are tragically now turning their backs on their state's legacy. As a result, the tornado of illegal drugs sweeping across the border from Pakistan and Afghanistan is sucking Punjab into an epidemic. The drug menace has intensified in Punjab over the last few years, and currently a large percentage of the Punjabi youth are severely addicted to drugs.

Recognizing the drug addiction menace in Punjab, Akal University has zero tolerance for the use of drugs and alcohol. All necessary steps are taken to keep environment at the campus drug free.

## Healthy Vegetarian Food

"Non-violence leads to the highest ethics, which is the goal of all evolution. Until we stop harming all other living beings, we are still savages." - Thomas A. Edison.

"Nothing will benefit human health and increase chances for survival of life on Earth as much as the evolution to a vegetarian diet."--Albert Einstein.

Vegetarianism is an inalienable feature of a healthy lifestyle. A vegetarian diet reduces the risk for chronic degenerative diseases such as obesity, coronary artery disease, high blood pressure, diabetes and certain types of cancer including colon, breast, prostate, stomach, lung and esophageal cancer. Also, medical studies indicate that that a human being's body was not made to be carnivorous (for example; humans have no fangs or claws) and because our digestive system was not made to digest meat, a vegetarian diet is much easier and healthier for our bodies.
